

Wells Fun RUN

Dear Runner

Wells Fun Run – Sunday 27 May 2018

Thank you for entering the Wells Fun Run.

This document has essential information for race day. If you have questions after you have read this then please ask.

RACE HQ

The race HQ is Wells Town Hall, in the Market Place, postcode BA5 2RB.

You need to collect your race number and timing chip on arrival.

Please arrive in plenty of time for this.

START

Please note the start times:

10:00am	Junior (under 8s)
10.15am	1.2K
10.25am	3K
10:50am	5K
11:15am	10K

Most races start from the Market Place, just outside the race HQ. The race for juniors under the age of 8 years will be held in the Recreation Ground (between the High Street and Silver Street) – if you are unsure of the location of the recreation ground, you might like to assemble outside the Town Hall, from where a group will be leaving at 9:35 to go to the start in the Recreation Ground.

EARPHONES

It is not safe to take part wearing headphones or earpieces, since they would make it more difficult for you to hear traffic or marshals instructions, so.....

NO PERSONAL STEREOS, PLEASE

GETTING THERE

Please do not park in St Thomas Street – we have had complaints from a resident about poor visibility because of too many parked cars.

Car parking is available in the Whiting Way (Waitrose), Union Street and Tucker Street 'pay and display' car parks (please do not try to park in the Market Place or in the "High Street" car parks!) - locations are listed

http://en.parkopedia.co.uk/parking/locations/market_place_wells_ba5_2rb_united_kingdom_gcn57f65xm/h/?country=uk&arriving=201705280900&leaving=201705281400

Roads will be closed from 10:00am and during the races, so please arrive in plenty of time.

SAFETY

The roads will be closed to traffic from 10am, but please be aware that, despite our best efforts, **vehicles can stray onto the route**. First aid cover, including at the start and finish, will be provided by St John Ambulance at the Race HQ and the finish.

RACE NUMBER and TIMING CHIP

Your race number should be secured to the front of your clothing.

To attach the chip, thread the paper strap through a lace, take the label off the sticky patch and stick the two ends of the strap together to form a loop. Rotate the loop until the number is at the top.

Do not flatten the strap against your shoe!!!

ROUTE

There will be a cyclist leading the race for the leaders to follow, and a route map on display at Race HQ.

The junior race takes place in a different place from the others – in the recreation ground. Meet outside the Town Hall for departure at 9:35 if you are unsure of how to get there. The race starts in the Recreation Ground behind the Town Hall, goes past the band stand and turns left onto the Moat Walk. It finishes at the same place as the other races.

The 1.2K race starts in the Market Place, goes down the High Street, left into St John Street, turns right along part of Southover and then left into Silver Street and back to the moat.

The 3K race starts in the Market Place, goes down the High Street, left into St John Street, turns right along part of Southover and then left past the end of Silver Street, through Palace farm, turns left along a concrete path *before* reaching the cycle track, left again across a field, and re-enters Wells at the corner of the moat. Before briefly heading along the home straight, a second lap starts by turning left into the Recreation Ground, past the Band Stand, right after the gate and out onto South Street (by the car parks). Turn left along South Street and left into Silver Street and back to the moat

The 5K race starts in the Market Place, goes down the High Street, left into St John Street, turns right along part of Southover and then left past the end of Silver Street, through Palace farm, out to Dulcote along the cycle track, back into Wells along the B3139 and alongside the moat of the Bishop's Palace. There are distance markers every 1km. It is mostly flat with one 30m hill 4K (and 9K) into the course.

The 10K race is two laps of the 5K route.

Please be guided by marshals at Dulcote, where the 5K and 10K routes may differ slightly, and at the end of the first lap, where the 5K and 10K routes diverge.

FIRST AID

First aid cover is provided by St John Ambulance and is available at the start and the finish, and around the course from cycle response units. Please tell a marshal (wearing a hi-viz tabard) if you feel unwell.

TOILETS & FACILITIES

Please do not use the loos in the Bishops Palace unless you are a paying customer. There are public toilets just off the Market Place and additional loos behind the Town Hall.

There is also baggage storage available in return for a donation to charity (please note that items are left at your own risk). You can change under cover in the Town Hall, but there is no separate changing area and there are no showers. You can change at the Wells Leisure Centre and jog to the start:

There are a number of cafes and restaurants (for food and drink) in the Market Place and along Wells High Street.

WATER STATIONS

There are water stations at 3K (in Dulcote), 5K (outside the Bishop's Barn in Silver Street) and again at 8K

Water will be available at the finish for all races. Please make sure that you do not dehydrate. This is especially important if (dare we say it?) it is a hot day.

RESULTS

The results will be posted on the race website: <http://www.wellscityharriers.org.uk/wells>

We will also try to display provisional results in the Town Hall as soon as they are available after the race – please tell us if you think there is a mistake in the results!
